

Please Note:

1. Commission displayed is applicable on US stocks only & for orders below 10,000 shares or USD 100,000 order value in a single order. This limit is applicable only per order. You can place multiple orders that can cross this limit. In case the order value is greater than USD 100,000 or number of shares is greater than 10,000 shares in a single order then additional brokerage rate of USD 0.005 per share or USD 1, whichever is higher, applies to the customer.
2. OnClose or OnOpen US listed stock orders exceeding 10% of an account's monthly US stock trading volume will be charged USD 0.005 per share extra. Market orders placed prior to regular trading hours will be treated as Market OnOpen orders and count towards client threshold.
